World Language Professional Development Seminars
at California State University, San Bernardino

☆ I.E. STARS ☆ a regional center of the
California World Language Project
is pleased to announce to Inland Empire area schools our program
for the 2017-2018 school year
at California State University, San Bernardino

World Language Instruction for Today's Students: Focus on the World Language Standards and Common Core Competencies

Tier 1A - Standards-Based World Language and ELL Instruction to Address the Common Core and Today's Students

For teachers of all languages and ELL teachers, this hands-on and interactive workshop focuses on standards-based instructional practices that develop student proficiency and common core competencies. Presenters will demonstrate a wide variety of strategies that work to keep today's students actively engaged and in the target language. Participants will learn effective, classroom-tested, ready-to-use strategies to reach and teach diverse student populations through demonstrations, examples, and video clips. Check-in room: CE-110

Tier 1B - Using Stories to Enhance Standards-Based World Language and ELL Instruction and to Address the Common Core

For teachers of all languages and ELL teachers, this workshop presents highly motivating and engaging storytelling strategies to develop language proficiency and common core competencies. Participants will learn easy steps to accelerate proficiency through a variety of Comprehensible Input techniques: oral, reading, and stories. The program emphasizes standards-based approaches that are effective, classroom-tested, research based, and ACTFL supported to reach and teach diverse student populations. Pre-requisite: Tier 1A or equivalent. Check-in room: CE-110

Tier 2 - Standards-Based Instructional Practices to Address the Common Core for Teachers of Advanced Spanish Classes

In this workshop for teachers of Spanish 3, 4, AP Language and Culture, and Spanish for Spanish Speakers, participants will be shown how to implement four new engaging and motivating thematic units using AP College Board themes that are designed to ensure student success on the AP Spanish Language and Culture Exam and to develop common core competencies. The workshop will address all areas included in the new examination: essential questions, aural/oral skills, reading comprehension, grammar, and composition. Participants will receive all materials presented as well as suggestions for implementation. All new units. Check-in room: CE-110

Tier 3 – Using Films and Online Technologies to Enhance Common Core and Standards-Based Competencies of Spanish Speakers

Participants will explore cross-cultural links between full length and short films and history, current events, art, music and literature and will examine procedures for developing Common Core and Standards-based competencies using film to enhance the curriculum and infuse it with authentic experiences of cultural merit. They will learn to use online technologies to support student interpretation of audio, video and written texts, participation in interpersonal communication, and creation of presentations and video products. Check-in room: CE-110

You may choose one of the above seminars.
